PROFESSIONAL EXPERIENCE

Web Developer

2015 - Present

Morris Arboretum, Philadelphia, PA

- Responsible for maintaining all aspects of the Arboretum website (www.morrisarboretum.org).
- Editing existing webpages, creating new pages, updating calendars, e-communications, blog, and various social media outlets.
- Email design/coding through Blackbaud, database maintenance through Raiser's Edge, monitoring Google Analytics, and social media reporting (SproutSocial).

Web Developer

2011-2015

Campus Apartments, Philadelphia, PA

- Lead redesign and development of in-house CMS and Online Lease using A/B testing, wireframes and detailed usability reports.
- Provided visual designs for task management, billing, reporting, and dashboard .Net application.
- Worked collaboratively alongside developers in an Agile environment to ensure a great user experience and coherent visual identity.

Web Designer

2009-2011

Teahouse at Asian Arts, Sarasota, FL

- Designed and programmed standards based websites. Implemented CMS systems and e-commerce shopping carts through open source platforms Wordpress, and ZenCart.
- Regularly met with clients to review project goals and to create proposals for future developments. Photographed commercial products for e-commerce for both web and print mediums.
